Dr. Mark Hald, Speaker

Dr. Hald currently provides psychological consultation to the Panhandle community Services Head Start programs, the CAPSTONE – Child Advocacy Center, pediatric professionals and psychotherapists, and the DHHS Western Service area Integrated Care Coordination Unit. He is active in the local infant-toddler mental health group and is a state board member on the newly-formed Nebraska Association of Infant Mental Health. Dr. Hald has experience as a school psychologist in the public school system and as a disability access specialist for students with disabilities at the University of Northern Colorado. He has also taught at the college and university level and has given numerous presentations and workshops locally, regionally, nationally, and internationally. He has been a consultant to the Seoul Foreign School in Seoul, South Korea.

Participant Learning Objectives:

Understanding of the Impact of Abuse & Neglect on the Development of Infants and Toddlers

Awareness of Statewide Data on CAPTA Referrals and Part C Verification in Comparison to National Research Statistics.

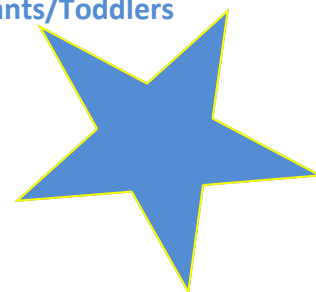

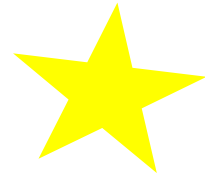

Knowledge of Assessment Tools and Intervention Strategies to Support Social Emotional Development for Maltreated Infants and Toddlers.

How to Use Verification Guidelines to Identify Social Emotional Delays for Infants/Toddlers

Sponsored by: the Part C Co-leads, Nebraska Department of Education & the Nebraska Department of Health & Human Services.
